TROY | 4001 MICR Printer

UniLink™

Designed for low volume check printing to help streamline your workflow. This model is fully compatible with TROY MICR cartridges and standard HP cartridges. **Fast printing enables efficiencies in small to medium sized office environments.** Enjoy HP award-winning reliability combined with optimized security from TROY.

Key Benefits & Specifications

Print Secure Checks In-House

Eliminate security risks of preprinted check stock. Add your logo, payee, signature, and MICR line. Also works with preprinted check stock to protect the payee and amount from alteration.

Efficiency & Security

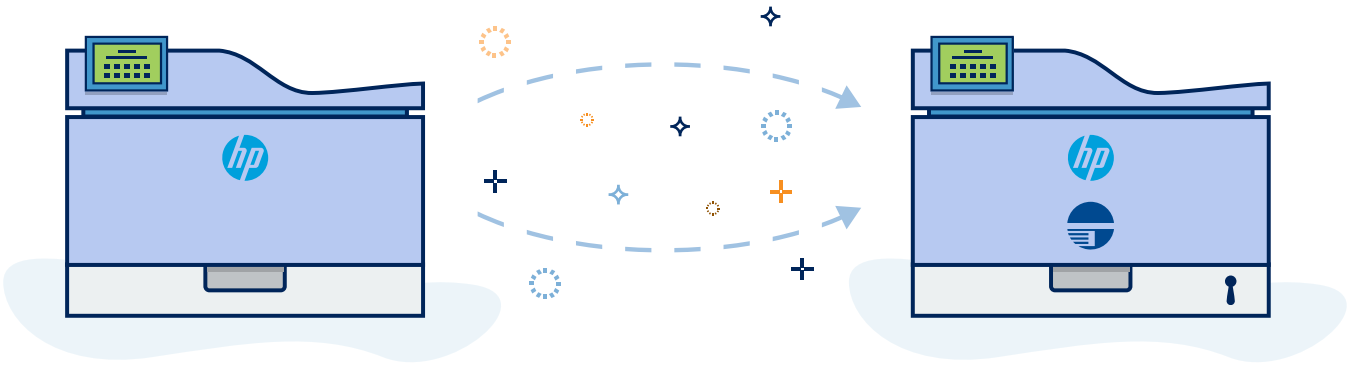

Reduce manual logging and chain of custody protocols. Plus **use one stock across multiple accounts by adding the MICR line at the point of issue.** Built-in tray locks and steel shielding protect check stock.

Quality & Reliability

MICR fonts created specifically for secure check printing. Patented MICR toner features **high adhesion and rigorous quality testing** to ensure a strong MICR signal. The only HP OEM MICR Toner on the market.

PATENTED ANTI-TAMPER TECHNOLOGY

Included with Every TROY MICR Printer.

The World's Most Fraud Resistant MICR Toner.™

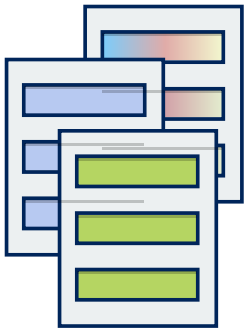

We always start with an original, brand new, HP toner cartridge. We then upgrade the standard toner with TROY MICR Toner Secure, which is The World's Most Fraud Resistant MICR Toner. Starting with an original HP cartridge is vital to the security, quality, and reliability that our customers depend on.

Did you know we also offer...

Digital Signatures & Logos

Print signatures, logos, forms and company graphics on checks, letterhead, or any other printed document generated on a TROY Printer. Provides a high quality, convenient solution to streamline your check printing workflow.

Blank Check Paper

Built-in security features to prevent copying, alteration and counterfeiting, while complying with financial requirements for check imaging and clearing.

3 Levels of Security

Entry Level: Security
Mid Level: Security Plus
High Level: Fortress
