Arca I20 Check Scanner

Engineered for performance.

The Product

The Arca I20 is a beautifully crafted, compact scanner that is both functional and stylish. Designed with durability, ergonomics, and functionality in mind, this scanner will fit in any environment without being noticed. This real-world tested scanner, has the lowest total cost of ownership in the industry.

Enjoy instinctive ease of operations with single-hand usage, large capacity input and output pockets, a special track for ID cards, quick access to transport path, and fast consumables replacement.

With its small footprint, the Arca I20 is the perfect machine for banking teller and back counter, commercial, retail, remittance and Remote Deposit Capture applications. Options include magnetic strip reading and inkjet endorsement.
