† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit www.epson.com/copyspeed | 1 Part of the ink from the included bottles is used for initial setup; yields are lower than those of replacement ink bottles. Replacement and included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/inkinfo | 2 Actual savings will vary based on print task and use conditions. Compared with best-selling, color laser printers priced at \$1,499 (USD) or less and 40 ppm or less, as of February 2020. Calculation based on continuous printing with standard-capacity individual cartridges. | 3 Actual cost per page will vary considerably based on print tasks, print volumes and usage conditions. Cost per ISO page calculations are based on the MSRP (USD) and the ISO yields for the Epson ink bottles available for the ST-C8000 supertank printer as of May 2020. | 4 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 5 Actual savings will vary based on print task and use conditions. Compared with best-selling, color laser printers priced at \$1,499 (USD) or less and 40 ppm or less, as of February 2020. Competitive data gathered from manufacturer websites and third-party industry sources. | 6 Epson Connect account and voice-activated account registration required. See www.epson.com/voice for device compatibility. | 7 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device.
